STRENGTHS

🎓 **Quick Learner**

Learning new skills, technologies, and roles comes naturally to me.

💎 **Problem Solver**

In CS50's courses there were so many problems that I have solved on my own. Also I have developed logics and models by making web app assignments.

👥 **Effective Communicator**

Communication has played an essential part in working in Banking sector and collaborating with my team.

🧠 **Accountability**

I take ownership of my mistakes so that I learn what I did wrong.

SUMMARY

Entry level Python developer with a strong background of experience in banking sector. Aiming to develop my skills and become a Python Developer at first. Willing to be work in any stack or technology in future. Very passionate and interested to work with any organization and learn something new.
